

Would you like to know more about water?

- How can I save water?
- How does clean water come out of my tap?
- What happens to the water when I've flushed the loo?
- Would you like to know more about Severn Trent Water?

If you want the answers to these questions – and lots more – then book an outreach session with Severn Trent Water

We will come out **free of charge** to visit your school, community group or local event and offer interactive presentations, fun group activities and fascinating workshops for all ages.

To find out more please go to www.stwatereducation.co.uk/outreach

How can I
save water?

What happens
to the water
when I flush
the loo?

How does clean
water come out
of my tap?

What is my
'water footprint'?
