

Get it Sussed

Sustainable Schools Curriculum Day

Ensure that you have the skills to inspire the decision makers of the future to deal with a changing world

Building on the success of the Sustainable Schools Showcases, the Get It Sussed curriculum days will give teachers ideas and activities to integrate sustainable development into their curriculum.

18th March 2011 9.15am - 3.45pm
Holbeach Campus

The National Centre for Food Manufacturing, Holbeach Technology Park,
Park Road, Holbeach, PE12 7PT
Course No: 226210

30th March 2011 9.15am - 3.45pm
Bishop Grosseteste University College

Lincoln, LN1 3DY
Course No: 226310

'Learning about sustainability captured the interest of children and young people because they could see its relevance to their own lives. The schools demonstrated how greater awareness of the need for sustainability can lead to reduced financial costs and better management of resources and estate.'

Education in schools for sustainable development.
Improving schools – improving lives (Ofsted)
